To kind attention all

CUSTOMERS and STAKEHOLDERS

SUBJECT : **CERTIFICATE OF ABSENCE OF ANIMALS INGREDIENTS**

REFERENCE : **FEDRIGONI SpA – Verona / Italy**
Kind of paper : all productions

Given that this declaration has been only issued for the papers we produce but not the ones processed and/or printed, we confirm and attest that all papers provided by our Company are devoid of intentional presence of "Animals Ingredients" exclusive of "Cast Coating Papers" because into their coating are there some quantities of casein, a derivative of mammalian milk, which is the common name for a family of related phosphoproteins (α S1, α S2, β , κ).

Nevertheless, excluding this case cited, we can easily confirm that all our papers are "vegan".

Yours sincerely.
